

COLLECTION BOOK 2026

Quinto Elemento interpreta la materia con uno sguardo contemporaneo.

Un catalogo di superfici pensate per progetti moderni, dove estetica e funzionalità convivono senza compromessi. Effetti cemento, pietra e legno dialogano con una selezione di decori capaci di dare ritmo e identità agli ambienti. Collezioni attuali, versatili, progettate per restare al passo con i tempi e con le esigenze dell'abitare di oggi.

Quinto Elemento interprets material with a contemporary focus.

A catalogue of surfaces designed for modern projects, where aesthetics and performance come together without compromise. Concrete, stone and wood effects are paired with a curated selection of decor tiles that bring rhythm and identity to every space. Current, versatile collections created to keep pace with both today's trends and the evolving needs of contemporary living.

A photograph of an outdoor patio area. In the background, there is a dark brown wicker sofa with light-colored cushions and a round wicker ottoman. In the foreground, two cylindrical wicker stools with a lattice pattern are placed on a floor made of large, rectangular, light-colored tiles. Long, dark shadows are cast across the tiles from the left. The word "CEMENTI" is overlaid in large, white, bold, sans-serif capital letters across the middle of the image.

CEMENTI

Linee ispirate al cemento: essenziali, attuali, facili da abbinare. Superfici dall'effetto materico e naturale, pensate per pavimenti e rivestimenti che stanno bene ovunque dal living agli spazi outdoor.

Concrete-inspired collections: clean, contemporary, easy to match. Textured, natural-looking surfaces designed for floors and walls perfect from living areas to outdoor spaces.
